

Incorporating **AIRFIX** Tools and Fasteners

## Abshade INDUSTRIAL MESH

**ABSHADE®** Industrial Mesh range is designed for the fencing & scaffold industries and is available in green, blue or sandstone. All meshes have a row of eyelets at the top and bottom of the fabric, for easy fixing and firm support.

**ABSHADE®** Industrial Econo mesh carries a 1 year UV Warranty. For short term projects where cost is a major factor.

**ABSHADE®** Industrial Premium mesh carries 5 year UV Warranty. For longer term projects where a cost effective solution is required for an extended period.

PRODUCT	COLOURS	ROLL WIDTH	ROLL LENGTH
Industrial 30 Econo (Temporary scaffolding & fencing)	Blue & Green	1.83m	50m
