

ULTIMATE SHADECLOTH

Abshade Ultimate shade cloth is specifically designed for the hardware industry and is ideal for use in the domestic market in applications around the home (e.g. pergolas, BBQ areas & privacy screens)

The fabric is manufactured using a heat-set stentoring process, which results in fabric that is very stable, easy to dispense and looks great. In addition, stentoring also minizes shrinkage if left in the sun.

ABSHADE[®] Ultimate shade cloth carries a **15 year UV Warranty.**

PRODUCT	COLOURS	ROLL WIDTH	ROLL LENGTH
