

ALLPRO

PLUS 95 Commercial Lightweight 235gsm Shadecloth

ALLPRO[®] Plus 95 is a superior quality 95% commercial grade shade cloth, suitable for architectural use. It is lightweight (235gsm) to allow easy tensioning, and has been heat set to prevent curling and enable easy fabrication. This also creates a superior looking end product that should not stretch or sag.

*** Meets Australian people shade standard.
 Australian Standard AS4174:2018**
