

ULTRA 95 Commercial Heavyweight 325gsm Shadecloth

ALLPRO® Ultra 95 is a superior quality, 95% commercial grade shadecloth suitable for architectural use. It is a heavyweight fabric (325gsm) designed for commercial overhead fabrications involving larger spans and structural applications.

ALLPRO® Ultra 95 has been heat set to enable easy fabrication and won't curl. It has also been tested by the AWTA, and is comparable to other brands on the Australian market.

*** Meets Australian people shade standard.
Australian Standard AS4174:2018**
