

Abshade DOMESTIC BIRDNET

ABSHADE® Domestic Birdnet is perfect at keeping birds and bats off your fruit trees, herb gardens & vegetables or out of ponds.

ABSHADE® Domestic Birdnet is constructed from premium quality HDPE and has UV stabilisation to last longer in the hot Australian sun.

ABSHADE® Domestic Birdnet is lightweight so direct contact with the plant will not cause any permanent damage. Simply unroll and throw over the tree or use as part of a permanent structure.

ABSHADE® Domestic Birdnet carries a 5-year UV Warranty
