

# ALLPRO Plus 95 Architectural Lightweight 235gsm shadedcloth

**ALLPRO™** Plus 95 is a superior quality 95% commercial grade shadedcloth, suitable for architectural use. It is lightweight (235gsm) to allow easy tensioning, and has been heat set to prevent curling and enable easy fabrication. This also creates a superior looking end product that should not stretch or sag.

**\*Meets Australian people shade standard\***  
**Australian Standard AS4174:2018**
